EDUCATION

Bachelor of Science – Computer Science: Software Engineering

May 2025

Point Loma Nazarene University, San Diego, CA

- GPA: 3.67
- Dean's List three out of six enrolled semesters

WORK HISTORY

Lifeguard

July 2024 - Present

Ryan Family YMCA, San Diego, CA

- Monitor pool areas to ensure the safety of daily patrons, resulting in zero preventable accidents during shifts.
- Regularly drill administering first aid and CPR during simulated emergency situations, ensuring readiness to stabilize victims until emergency medical teams arrived.
- Enforce safety regulations and protocols, decreasing incidents of unsafe behavior through proactive communication and supervision.
- Perform routine maintenance, including chemical testing and cleaning, to ensure the pool remained safe, clean, and visually appealing, contributing to a consistently positive experience for all patrons.

Hospital Corpsman

January 2022 - Present

U.S. Navy Reserves, San Diego, CA

- Managed the administrative documents of over 70 recruits as Yeoman during bootcamp, ensuring accurate record-keeping and efficient processing of personnel data for seamless training operations.
- Completed Navy bootcamp training with honors, demonstrating discipline and teamwork, while honing military procedures and physical fitness skills.
- Trained in Tactical Combat Casualty Care, acquiring advanced knowledge in battlefield trauma management to provide life-saving care in high-pressure environments.
- Graduated with honors from Hospital Corpsman A-School as the Educational Petty Officer, organizing and facilitating after-school training and ensuring fellow corpsmen met academic requirements for program completion.

Community Service Officer

March 2023 – August 2024

Point Loma Nazarene University Department of Public Safety, San Diego, CA

- Patrolled campus grounds to monitor for suspicious activity and enforce safety regulations, identifying and reporting an incident involving two employees engaging in inappropriate behavior, which led to a timely and appropriate response from management.
- Assisted in responding to emergency calls, contributing to faster response times and improving safety for students and officers during critical situations.
- Collaborated with staff officers to manage traffic control during large events, ensuring order and preventing potential disruptions, which enhanced overall event safety.
- Documented incidents and prepared detailed reports for department review, improving communication and follow-up on campus safety concerns as an officer dispatcher.
